Mi objetivo

Conseguir mi primer trabajo de programación, mucha dedicación a poder aprender, y enseñar lo que se, trabajar de manera eficaz y aplicar lo enseñado diariamente. No tengo experiencia laboral pero puedo obtenerla.

Experiencia laboral – Mas reciente.

2022/Actual - Life Wireless, Atlanta GA EEUU.

Team lead: Provide support to call taking agents, helping them resolve complicated cases, escalate issues to other local departments, take supervisor calls, and assign tasks and roles.

Customer service/Tech support representative: Provide support to Customers through calls, helping them resolve problems with their service, shipments through USPS or FedEx in the best way to provide perfect service. Also giving tech support for special customer's issues.

2022 - Momentum Solar settier appointment. Nueva Jersey , EEUU.

Booking Appointment: Coordinator of meetings between client and seller. Helping to build confidence to be a future buyer

2019 - 2021 – Iglesia de Jesucristo de los Santos de los Últimos Dias

Tasks: Proselytizing missionary for 2 years, trying to help people achieve personal goals. Leadership positions for groups of between 10 to 60 supervising their work and dedication. Assistant to senior leaders, helping to organize meetings, calendars and work presentations to supervised groups.
